Amy – Beth (cc'd on this email) will be covering for me next week. I will be out due to an unexpected family matter. I will prep everything and Beth will just need to give to Katherin on the appropriate date and then send out.

Thanks Missy. Per 40 CFR 22.45(c)(3), we need to wait an additional 10 days after the end of the public notice period before submitting the CCCA to the ROJO for approval and issuance of a final order. I will follow up with you on November 28, 2017, to submit the CCCA for the RJO's review. Thank you,
